VINLEC EDUCATION AWARDS 2020

L-R Eriscia Crooke, Davant Robinson, Nevan Foster, Roshاون J. Phillips (missing Mekyla Doyle)

Ten children will benefit from St. Vincent Electricity Services (VINLEC) Education Awards programme for the academic year 2020/2021. Of the ten, five have been granted full scholarships, while another five received bursaries. Each scholarship is valued at \$1400 annually for five years, while the bursaries are in the sum of \$200. per child.

VINLEC's Education Awards programme started in 1984 and provides financial and moral assistance to children of employees with a view to support the children as they seek to reach their greatest potential. VINLEC is conscious that this investment is necessary as a well-educated workforce of tomorrow depends on accessible education today. This Education Awards programme is merit-based and the awards are granted based on the students' performance in the local Caribbean Primary Education Assessment.

The awardees and parents attended an orientation session hosted by VINLEC on Tuesday August 25th. This year's scholarship recipients are Mekyla Doyle, Roshاون J. Phillips, Eriscia Crooke, Davant Robinson and Nevan Foster. The bursary recipients are Alyssa Compton, J'niqua Collis, Davannet Bowens, Shannon George and Auriel Stephens. Since 1984, a total of 229 students have benefitted from VINLEC's Education Awards programme.
